Enumeration and Structures
for USART

```
graph LR; A[Enumeration and Structures for USART] --> B[USART Driver]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "USART Driver". The box on the right is gray with a black border and contains the text "Enumeration and Structures for USART" on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the driver uses the definitions from the enumeration and structures file.
