Definitions

TIM1 Register Map

```
graph LR; A[TIM1 Register Map] --> B[Peripheral Register Definitions];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'Peripheral Register Definitions' in two lines. The box on the right is gray with a black border and contains the text 'TIM1 Register Map' in one line. A black arrow points from the right side of the gray box to the left side of the white box.
